## PROJECTS

### Metaverse Website — React, Tailwind, Gsap

- Developed a visually dynamic and responsive Metaverse-themed website using **React** and **Tailwind CSS**.
- Implemented seamless video and text animations utilizing **GSAP (GreenSock Animation Platform)** for enhanced user engagement.
- Optimized animation sequences for smooth performance across different devices and screen sizes.
- Created a modular and reusable component structure to streamline development and scalability.
- Deployed Url: <https://animated-universe.netlify.app/>

### Personal PortFolio — HTML, CSS, JavaScript

- Designed and developed a **Personal portfolio** to showcase skills and projects.
- Created an About section highlighting background and expertise.
- Built an Experience section detailing professional achievements.
- Showcased key projects with descriptions and visuals.
- Added a "Contact" section for easy communication.
- Deployed Url: <https://saurabhdubey.netlify.app/>
